

The Zadara

Welcome to Zadara, a beautifully luxurious home of grand proportions. With Zadara you can enjoy a modern home without compromising comfort and functionality.

The expansive floorplan features two levels with the sleeping quarters located on the upper level for added privacy. There are four bedrooms including the stunning master suite complete with a large walk-through robe, beautiful ensuite with twin vanities and a double shower, plus access to a private balcony where you can relax with a morning coffee.

There are three more bedrooms, all with built-in robes and access to the main bathroom with bath, plus a study nook and extra built-in storage.

The main living spaces are located on the lower level to take advantage of the potential for seamless indoor/outdoor living. At the front of the home there is a formal lounge room for hosting guests or the movie enthusiast could use the space as a media room.

Walk through a dividing door to the galley-style kitchen, which features a massive walk-in pantry and ample bench and storage space, plus a breakfast bar for casual dining. The family room is located in front of the kitchen and the dining space to the side and from here, stacker doors open out to a large covered alfresco area.

There is also a double car garage with a workbench, plus a powder room on the lower level for guest comfort and a separate laundry and walk-in linen closet for added convenience.

Imagine this home finished with plush carpets, stone benchtops and quality fittings and you have Zadara, a beautifully luxurious home of grand proportions.
